Golf Outing Package

Dear Outing Coordinator

Whether you've hosted your event with The Club at Twin Lakes before or 2025 will be your first, Twin Lakes will deliver innovative golf outing solutions to your organization. Planning a golf outing can take a real team effort – a strong committee, some careful planning and of course a spectacular host site. We are here to help you navigate this process. When you host your event at Twin Lakes, you are getting much more than just access to the golf course and clubhouse.

We will work cooperatively with you and your team to craft an event that is profitable, memorable, and set up to grow consistently year after year.

Whether you are planning a corporate event, a fundraiser or just a small group for golf, the outing professionals at Twin Lakes will help you attract players, coordinate the details, implement successful contest and sponsorship strategies.

Sincerely,
